

AGREEMENT FOR PARTNERSHIP

Today, 06 December 2018, The Union of Bulgarian Black Sea Local Authorities /UBBSLA/ and the Federation of Andalusia Municipalities and Provinces (FAMP), declare the intention to reach agreement on cooperation in the field of local self-government, innovations, economic, social activities, culture and sport.

The local environment is one where we can achieve our desire to create a world with a real humane dimension where people can develop their gifts, interest and aspirations, where local government is close to the people and captures the pulse of their citizens.

Both Associations UBBSLA and FAMP, make a step forward by joining forces in a spirit of European cooperation, for successful exchanges in all areas of development.

By signing this Agreement, we express our readiness to combine opportunities and resources to achieve the well-being of the citizens of the two regions – the Bulgarian Black Sea coast and Andalusia.
